Sony Educator Promotion
Bright. Stylish. Affordable.

Purchase a Sony VPLEX3W or VPLES3 during June and July, and you could win one of three Sony SnapLab Digital Photo Printers.

Introducing Sony's new high performance, low cost data projectors. Featuring 2000 ANSI lumens, they provide bright and detailed reproduction of all images, even with the lights on.

With lower fan noise, front exhaust and wide variety of input signals, they are perfect for the small to medium room. Weighing just 2.9kg, both can be easily transported or ceiling mounted. These user-friendly projectors are incredible value for money.
